1964: Unity Beginnings in Port Angeles, by Alice Alexander

When Lou Lawrence and her friends started their Unity Study Group in 1964, the vision was to learn more about the teachings of the Fillmores. They loved the positive affirmations and were eager to soak up all the teachings they could.

The Fillmores started their spiritual healing movement in 1889, after spending several years studying prayer and the power of mind over body, across many religions. Charles and Myrtle Fillmore were a young couple in Kansas City, Missouri with three young boys. They each had experienced lifelong physical ailments and constantly looked for modes of healing. When they heard a lecture by Dr. E. B. Weeks, Myrtle devoted the next two years of her life to a successful, dedicated prayer healing.

The Fillmores started teaching classes in living rooms and published a magazine which came out in 1989. Soon after, the prayer group began, which evolved into Silent Unity. The movement has grown to include centers of truth all over the World and a seminary in Lee's Summit, Missouri to teach new ministers the principles of Unity.

The Port Angeles study group met at the library, before moving to a member's apartment. At one point an assistant minister from Bremerton, John Adams, visited a study session. Rev Adams declared his intention to serve as their minister, and, he had brought his wife and two daughters to Port Angeles intending to live here.

December 1966 brought the first actual service in their own building. They connected with Unity School of Christianity based in Lee's Summit, Missouri and became a Unity Center.

The move to fast-forward their study group brought many challenges and disagreements among the members. However, the participants continued to grow and they soon formed a Women's group. They held plant sales and bake sales, doing whatever they could to bring money in to support their new minister.

Their vision hadn't changed - they still wanted to learn and explore the Unity principles. They had just expanded more than they had initially envisioned.

Uito MISSION

As Spiritual Family, we are here to create a safe, nurturing environment where

“ALL ARE WELCOME!”

- We are individuals coming together in CommUnity to love and support one another on our spiritual journeys.
- We are here to share and practice spiritual tools with you to transform our lives and to make the world a better place.
- We are Spiritual family and we welcome children in tall bodies and small bodies.

Wherever you are on your Spiritual Path, **we welcome you.** We trust that you are blessed in a special way by your time with us.

The Presence of Spirit

Our message, music and meditation create an atmosphere of openness and receptivity. All seekers of Truth are empowered to experience and express the joy of Christ potential through intentional practice of the Presence of Spirit.

With the Bible as our basic text, we study the stories metaphysically and apply our understanding to our everyday lives.

In Prayer and Meditation

We turn to Spirit for Divine Guidance, opening our hearts and minds with discernment and Trust. We willingly and authentically step out to do those things which are ours to do. We know that all things needed for our next right step are available now.

5 Universal Principles Basic to Unity

1. **GOD IS:** There is only ONE Presence and ONE Power in the Universe and in my life; **God the good,** Omnipotence.
2. **I AM:** Human beings have the spark of divinity within us; the **Christ Spirit within.** Our very essence is of God, and therefore we are also inherently good.
3. **I CREATE:** Human beings **create our experiences by the activity of our thoughts, feelings and beliefs.** Everything in the manifest realm has its beginning in these three.
4. **I PRAY:** Prayer is creative thinking that **heightens our connection with God-Mind** and therefore brings forth wisdom, healing, prosperity and everything good.
5. **I LIVE IT:** Knowing and understanding the laws of life, also called Truth, are not enough. We must also **live the truth that we know.**

Celebrating 50+ Years of PRESENCE

In September 2016, Unity in the Olympics celebrated the 50th Anniversary of this Unity Community. We honored and shared our experiences of being in this community, which was founded by a group of dedicated, heart-centered, spiritual seekers. We remembered the joy of the early formation stories; the changes, challenges and accomplishments; the caring leaders that have been with us at the perfect time and season – all to help us love and grow this Spiritual Family.

That same loving, inspiring energy is Present in Unity, today. As we Listen, Receive and Follow the Guidance of Spirit, for our journey together in the 21st Century.
