A Special Program for Youth!

Unity's Religious Emblems Program is for youth working closely with adults in achieving a basic spiritual understanding. Awards can be earned at each of three different age levels.

The program was created especially for national youth groups:

- Boy Scouts of America
- Camp Fire, Inc.
- Girl Scouts of the USA
- 4-H Club
- Other Youth Groups
- Any Unity member of the specified age.

Youths can participate with an organization or as an individual. Also, any Unity church can bring together a group of young people of a designated age group to work on the requirements using the workbook.

Upon completion of the project, mail the application page (included in the PDF) along with payment for the appropriate emblem to:
